*Best Entry Level
Print Management Tool*

.....
Job Accounting from
OKI Printing Solutions

- **Extensive cost control and auditing capabilities**
- **Provides ability to track counts for color and monochrome pages, the types of quantities of paper used, and a record of printing activity by department**
- **Sets up easily with no need to refer to an instruction manual or help files**
- **Ability to create groups of devices without having to enter all the cost parameters for each user**
- **Allows users to assign access to color or just monochrome**
- **Allows administrators to set rates for different paper types or sizes**
- **Unused credit can be carried over to the next month like a cell phone minute plan**
- **When limits are reached an email can be sent to the user telling them they need to contact the administrator for additional print capabilities**
