

Signage Media Collection*

For On-Demand P.O.P. Printing

Specialty media created for the Digital Color Signage printer.

Designed especially for your needs, the Signage Media Collection will allow you to print in vibrant color on the C9650hn wide-format Color Signage printer for a fraction of the cost of offset printing. From 4-foot banners and cling labels to table tents and gloss paper, OKI Printing Solutions can provide you with the retail signage you have been looking for. Contact your local OKI Printing Solutions Reseller for pricing and availability.

* The media shown here should only be used with the C9650hn Digital Color Signage printer from OKI Printing Solutions.

For further details, please contact your OKI Printing Solutions Provider.

Specifications are subject to change without notice.

To optimize results, it is important that the appropriate printer driver, paper tray, and feed orientation be selected when printing. Actual results may vary based on operating environment.

All pre-printed media must utilize UV curable inks to prevent ink transfer to printer rollers and the possibility of jamming.
